SVP TWINNAGE—SUDAN APPEAL

**INSTEAD OF GIFTS THIS CHRISTMAS.....
GIVE LIFE & HOPE**

Rather than giving your loved ones gifts this year, why don't you give the gift of life and hope on their behalf? Donate to the SVP Twinnage Sudan Appeal on behalf of a loved one and receive a gift certificate to give them on Christmas Day in lieu of a gift. You are also invited to support the appeal yourself. All donations will enable the SVP to continue its life-saving work.

DON'T GIVE GIFTS: GIVE LIFE AND HOPE

Nearly two and a half million Sudanese people have been killed by civil war and its consequences in recent years. Over 4 million people have been forced from their homes into Internally Displaced Person Camps (IDPs). Despite the peace agreement and the secession of South Sudan the effects of internal conflict over recent years and political instability continue to dominate life in Sudan and now South Sudan. Many of those displaced by the war are still forced to remain in the IDP camps. Conditions in the camps are poor: there is little sanitation or access to clean water, often no electricity, poor road access, and few - if any - medical supplies

YOUR GENEROSITY = LIFE

It costs £350,000 a year to run the **SVP's Baby Feeding Programme** in Sudan. The SVP's 16 baby feeding centres are located in the Internally Displaced Person Camps around Khartoum. They provide a nourishing meal for some of the Sudanese children and babies whose families have fled the war in Darfur and the south of the country. This programme does more than just supply food. Instead of using the words "keeping babies alive" we could say "stopping babies from dying". Somehow that brings home the life or death situation.

YOUR GENEROSITY = HOPE

You and your family and friends could really enjoy Christmas more if you knew that you had equipped a young person or adult to become self-sufficient. In fact, every time one of our trainees leaves us, having completed their course, they leave with a certificate which is much sought after by employers. This in turn gives confidence to all the others.

In our **5 Vocational Training Centres**, workshops provide training in carpentry, masonry, welding, computer, electricity, agricultural techniques, refrigeration/air-conditioning, secretarial skills and tailoring - for both men and women. In all the centres, we also provide health awareness, first aid (in collaboration with the Red Crescent), adult education and methods of fighting HIV/AIDS. This programme costs £100,000 a year and over 1,000 students benefit each year.
